**Rockford Hills (City Hall)** – We are pleased to announce our imminent nomination of the new State Attorney. We started this process several weeks ago on notification of State Attorney Ashbrook's retirement. We thank her again for the effort she has put into her work and her dedication to the field.

This is a significant position with a large impact on the State and the citizens protected under it and as such we have put a large amount of review and pressure on this nomination. In that search we were graced with multiple qualified applicants, all of which we thank for their consideration of the position.

Now, after much conversation, and pending approval by the legislature, we are happy to nominate **Associate Justice Doc Hilliard** as our pick for State Attorney who will be stepping down from the Judiciary to assist in this.

We have supreme confidence in Mr. Hilliard and are looking forward to what the future will bring.

Sincerely,

A handwritten signature in red ink that reads "Jeremy Barbant". The signature is written in a cursive, flowing style.

Jeremy Barbant  
Governor of San Andreas
